JOIN and VOLUNTEER

Your support helps us continue to preserve the rich history of Clay County for future generations. In addition, we hope to provide fun and educational programs to the community.

You will have confidence that your support contributes to our mission: To preserve the heritage of Clay County Florida through the collection, preservation and display of artifacts and historical material by maintaining a museum and conducting activities which promote an awareness of our heritage. To provide information and education to residents and visitors about the early history, culture and inception of Clay County Florida.
